About Water Mission

Water Mission is a Christian engineering nonprofit that designs, builds, and implements best-in-class safe water, sanitation, and hygiene solutions that transform lives. Since 2001, we have served more than 7 million people in hard-to-reach developing communities, refugee settlements, and disaster areas.

Charity Navigator has awarded Water Mission its top four-star rating 15 years in a row, a distinction shared by less than only one percent of the charities rated by the organization. This exceptional designation demonstrates Water Mission's commitment to excellence.

About the Walk for Water

For the past 16 years, Water Mission has hosted their own annual Walk for Water event and have helped to promote others (such as GF) around the world. On Walk days, thousands of people gather to raise awareness for the 2 billion people worldwide who lack access to safe water.

Sponsor Levels and Benefits

Sponsorship makes the GF Walk for Water possible. Since beginning this initiative in 2016, GF has raised and donated over \$1.5 million to Water Mission... providing safe water for life to more than 60,000 people. We invite you to join us in continuing to raise awareness of the world water crisis, and in raising funds that save lives. As a sponsor, you'll be part of a great effort and will receive the following benefits:
