

# GF Services

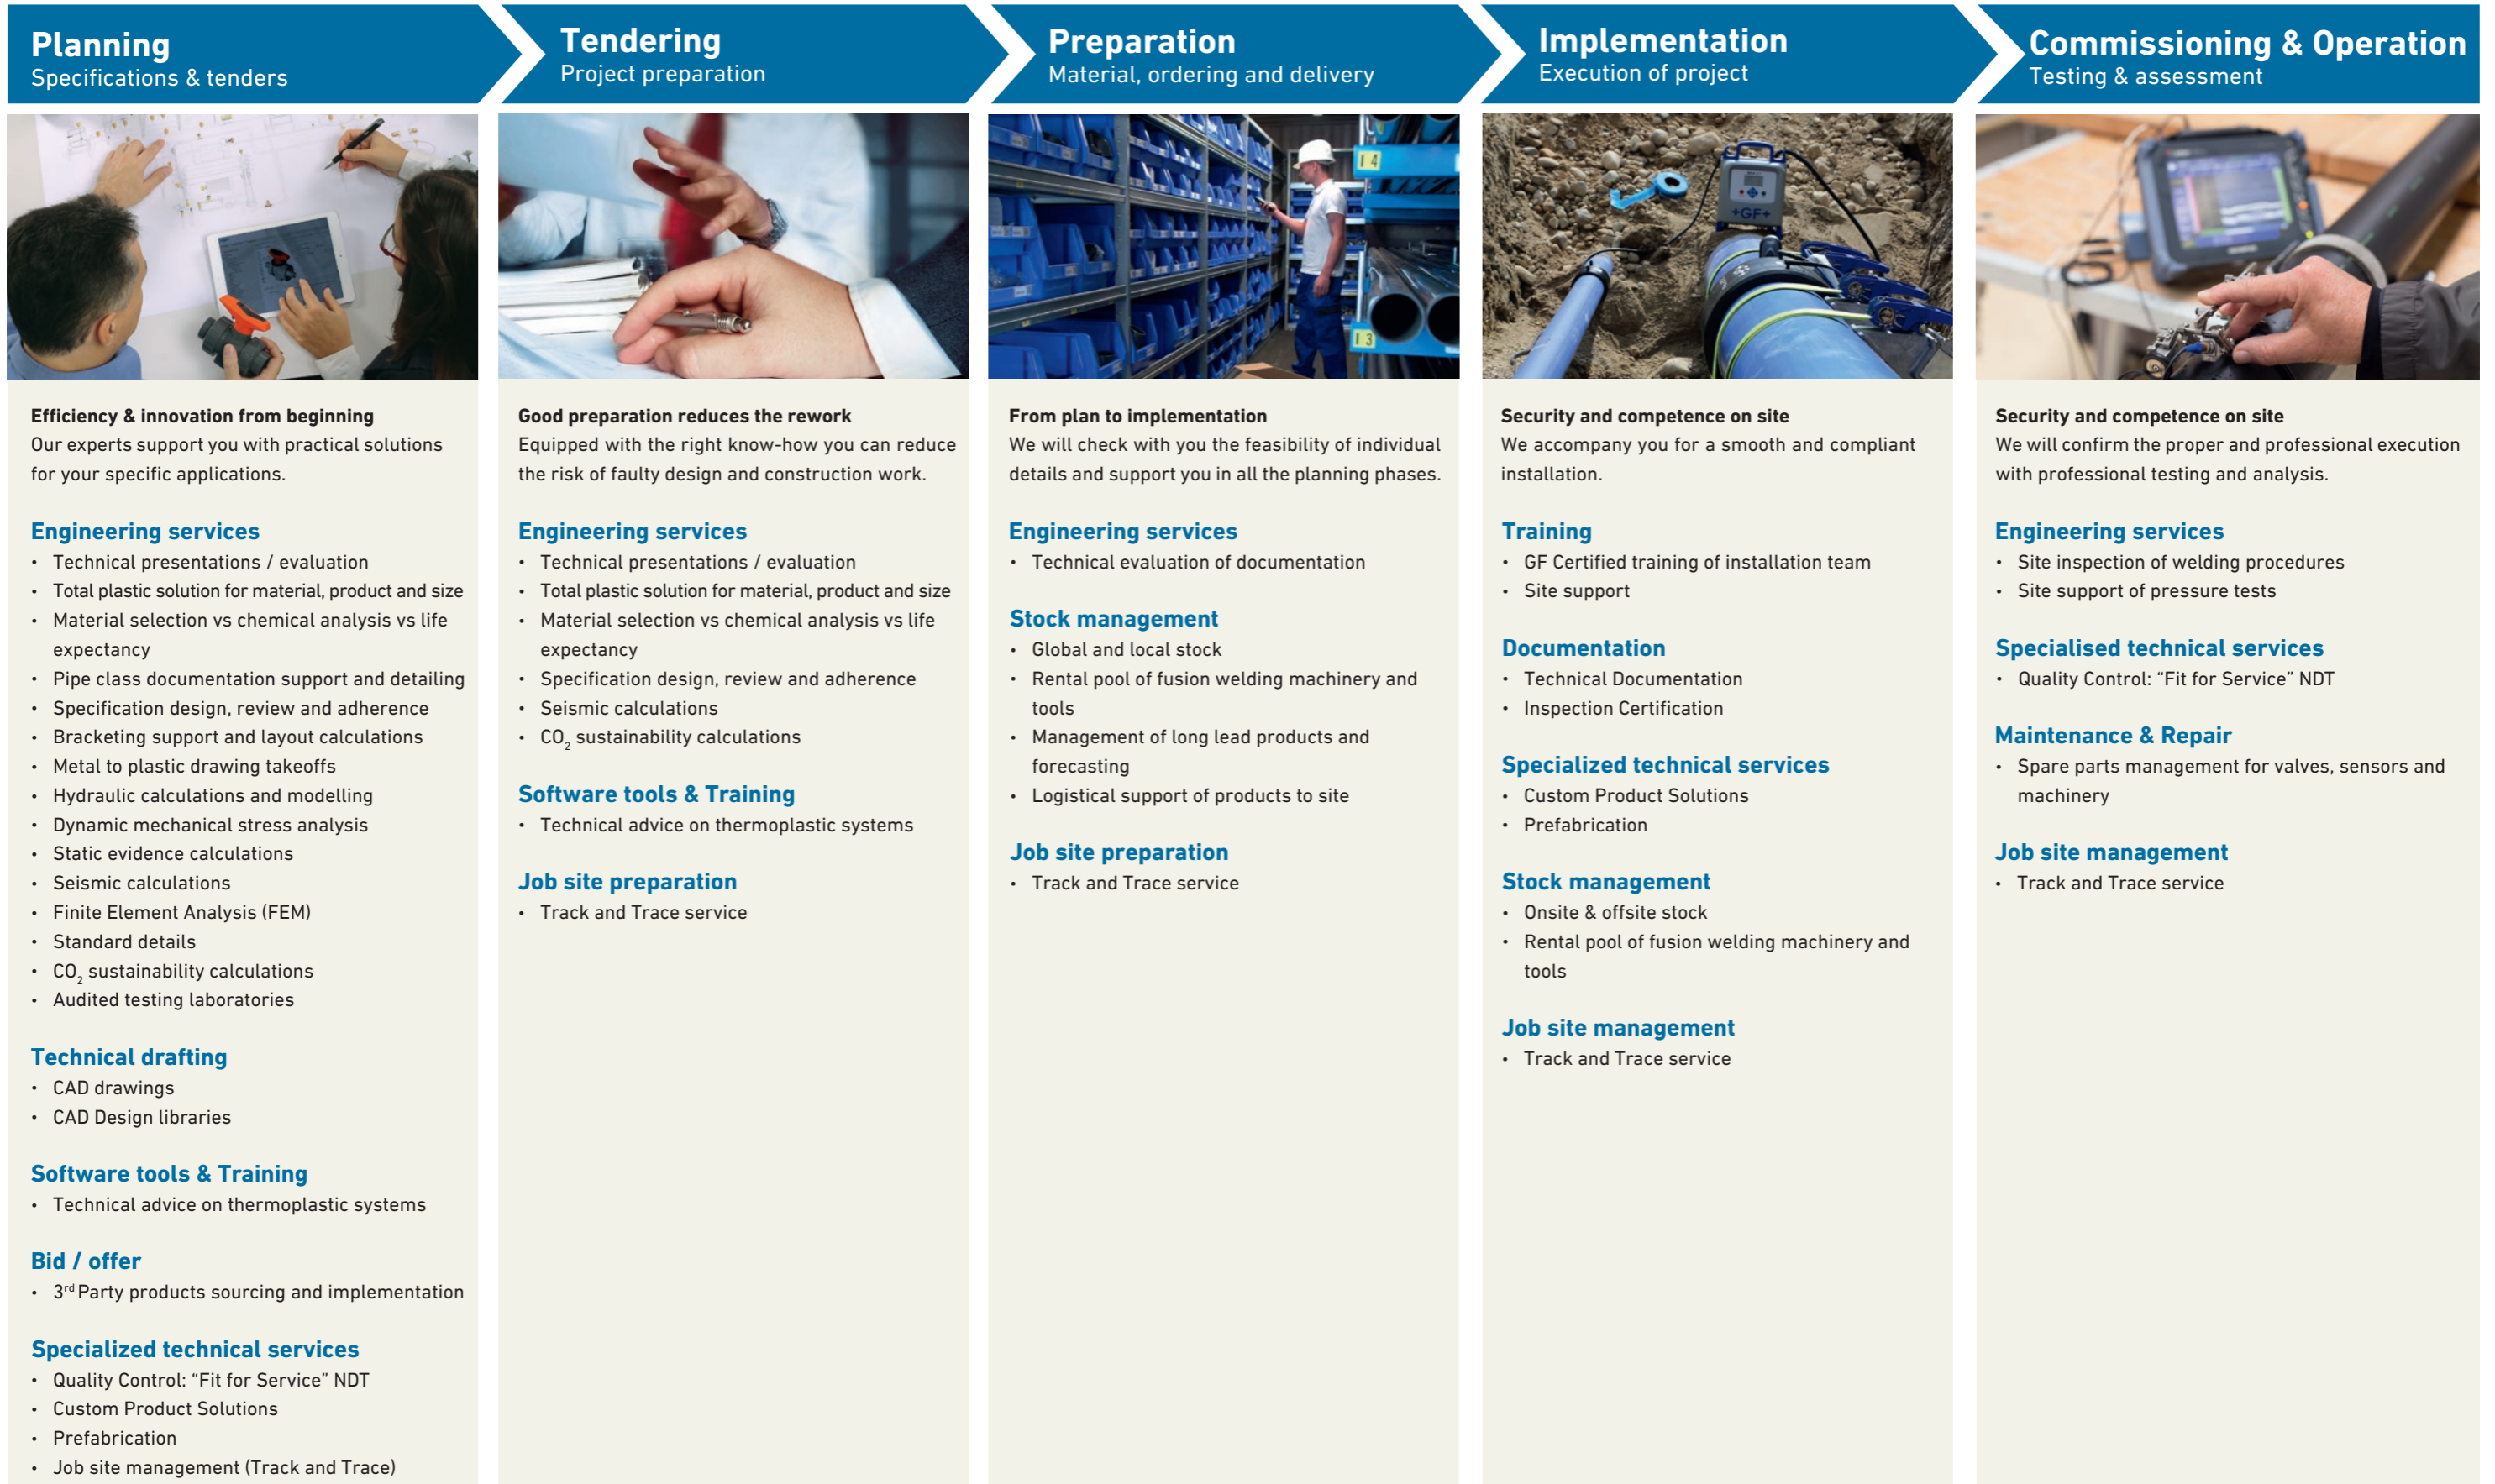

Adding value to your plastic piping projects

# Services & solutions in all project phases

When moving from metal to plastics and increasing the use of plastics in your applications, the benefits of plastic piping systems vs metal are clear; corrosion free, low material weight, chemical resistance, low total cost of installation and long life expectancy are just a few. At GF, we have over 60 years of plastics know-how, and can offer you full support to meet your needs in designing, installing and commissioning plastic systems.

# Worldwide at Home

Our sales companies and representatives ensure local customer support in over 100 countries
