GF Piping Systems Earns Intel's 2025 EPIC Supplier Award

GF Piping Systems, is one of only 37 Intel EPIC Supplier Award recipients in all of Intel's global supply chain.

GF Piping Systems is proud to announce that it has earned the exclusive Intel EPIC Supplier Award for 2025. This award recognizes the top performers in the Intel supply chain for their world-class commitment to continuous improvement and performance excellence over the past year.

"Congratulations to GF Piping Systems on receiving the Intel EPIC Supplier Award, Intel's highest supplier recognition," said Frank Sanders, corporate vice president and general manager of Global Supply Chain Operations at Intel. "Their unwavering commitment to quality, drive for excellence, and dedication to technology innovation make them vital to our success. We greatly appreciate their collaboration and continued focus on results."

"As one of a select few companies awarded the Intel EPIC Supplier Award in 2025, GF Piping Systems is truly one of the best suppliers in the semiconductor industry," said Dave Bloss, corporate vice president and general manager of Global Sourcing for Equipment & Materials at Intel. "Their customer orientation and commitment to superior performance is a testament to their dedication and serves as a global benchmark for others to follow."

The Intel EPIC Supplier Award recognizes the top performers in the Intel supply chain for their dedication to "EPIC" performance—Excellence, Partnership, Inclusion and Continuous Improvement. Of the thousands of Intel suppliers around the world, only a few hundred qualify to participate in the EPIC Supplier Program.

To qualify for the Intel EPIC Supplier Award, suppliers must exceed the highest expectations and achieve aggressive strategic objectives aligned to Intel's priorities.

About GF Piping Systems

GF Piping Systems creates connections for life as the superior water and flow solutions provider for industries and infrastructure, enabling the safe and sustainable transport of fluids.

The division focuses on industry-leading leak-free piping solutions and engineering services for numerous demanding end-market segments. Its global sales, engineering, and manufacturing footprint reflects its strong focus on customer-centricity and innovation, and its award-winning portfolio includes fittings, valves, pipes, vaults, chambers, automation, fabrication, and jointing technologies.

GF Piping Systems has its own sales companies in 33 countries and fabrication hubs in 15 countries, which means it is always by its customers' side. Production sites in 40 locations in the Americas, Europe, the Middle East, and Asia ensure sufficient availability and quick, reliable delivery. In 2024, GF Piping Systems generated sales of CHF 1'971 million and employed 8'309 people. GF Piping Systems is a division of Georg Fischer AG (GF), founded in 1802 and headquartered in Schaffhausen (Switzerland).
