

# (Em)powering the Future

## Industry leading flow solutions for sustainable battery production

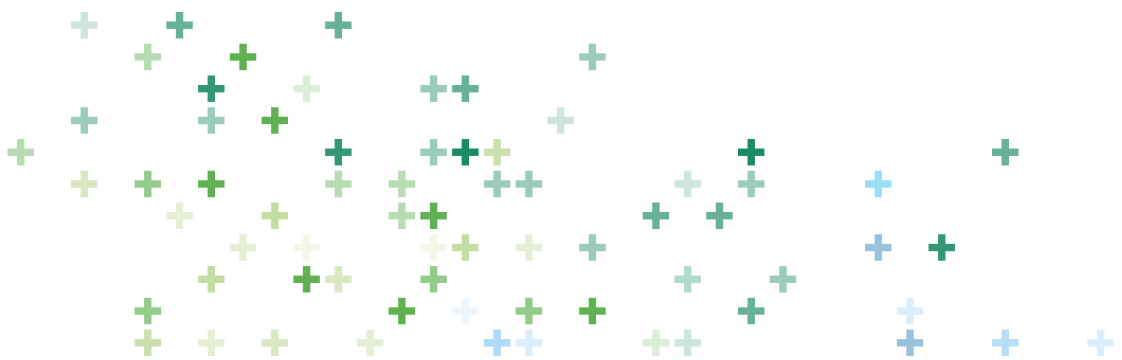

**We are delighted about your visit to our booth and are happy to provide you with exciting content for your editorial work.**

At Battery Show, you have learned from our dedicated experts how GF Piping Systems' lightweight and corrosion-free piping systems reduce the environmental impact of mega and gigafactories by choosing alternative piping materials.

**Our highlights at booth #8-F81**

# About GF Piping Systems

As the leading flow solutions provider for the safe and sustainable transport of fluids, GF Piping Systems creates connections for life. The division focuses on industry-leading leak-free piping solutions for numerous demanding end-market segments. Its strong focus on customer-centricity and innovation is reflected by its global sales, service, and manufacturing footprint and its award-winning portfolio, including fittings, valves, pipes, automation, fabrication, and jointing technologies.

GF Piping Systems has its own sales companies in 31 countries, which means it is always by its customers' side. Production sites in 36 locations in America, Europe, and Asia ensure sufficient availability and quick, reliable delivery. In 2022, GF Piping Systems generated sales of CHF 2'160 million and employed 8'085 people. GF Piping Systems is a division of Georg Fischer AG, founded in 1802 and headquartered in Schaffhausen, Switzerland.
