

Industry & Infrastructure

GF is a global leader in the design, manufacture, and supply of safe, reliable, and sustainable piping solutions. Serving industrial and infrastructure markets worldwide, we help customers transport water, chemicals, and gases efficiently and responsibly. With a strong local presence in the UK, supported by our global network, GF delivers quality, innovation, and service excellence across all projects and applications.

A CLASS

A-Class service offer sets the benchmark for operational excellence. We supply our fast-moving and strategic products directly from local UK stock, ensuring high-demand items are always available for our partners and customers. Orders are ready for **dispatch within 3 working days**.

B CLASS

B Class service offer provides reliable access to a broader range of products sourced from our extended European stock. We ensure dependable supply for products with lower-volume demand. Orders are typically ready for **dispatch within 10 working days**.

C CLASS

C-Class service offer covers made-to-order, non-stocked, or special products supplied from our global manufacturing plants. These items are produced to meet specific project or customer requirements. Lead times vary by product, please contact us for current availability.

Minimum Order Value from 2nd January 2026

Box Quantities

Where specified by GF, products must be purchased in full bag or box quantities. Orders placed below these quantities will be rounded up to the nearest full bag or box quantity and invoiced accordingly.

To ensure operational efficiency, minimum order values and associated surcharges will be applied as follows.

Order Value (ex VAT)

Above £1000	Free of charge
Less than £1000	£35 delivery*
Less than £500	£45 administration fee £35 delivery

* These charges are exclusive of VAT and are in addition to any overnight carriage costs. Please [contact us](#) for more details.

Price Lists

Whilst we strive for accuracy within our price lists, box quantities and gross list prices may vary. For the latest information and pricing, please contact your local sales representative or visit gfps.com

CONNECT Store

The GF CONNECT Store is our online platform for quick and convenient access to the full GF product range.

Stock classification, pricing, order tracking, POD's and invoices are all readily accessible and designed to make purchasing faster and simpler than ever.
