By subscribing you consent that George Fischer Pty Ltd (hereinafter "GFPS") as data controller processes the personal data you provide or make available to GFPS for sending newsletters and emails informing you about products and services of GFPS, invitations to events and further commercial information. If you do not agree with it, please do not subscribe. Your registration shall be logged in order to prove the registration process according to the legal requirements.

GFPS may collect personal data (such as name, address, email address, telephone number, interests etc.) that you provide or make available to GFPS through subscribing to or interacting with our email marketing activities, e.g. by entering them on a registration form, completing a customer survey, etc. GFPS may use personal data for sending the newsletters and for the customer and user administration related thereto, for improving its email marketing activities, for statistical and market research purposes, and for complying with applicable laws and regulations.

GFPS may transmit, inside or outside your country of residence, your personal data to other GFPS affiliates and third-party service providers that may use your personal data for the purposes listed herein. GFPS may delegate the processing of such information to affiliates and third parties. The personal data may be stored and processed at any of its or its affiliates' and third-party providers' facilities, including abroad. If GFPS transmits personal data to third parties, at home or abroad, GFPS ensures the compliance with the respective data protection requirements.

You may unsubscribe or opt-out from receiving such communication at any time digitally by using the "unsubscribe" option in every sent mass email, by phone, in writing or by email. Email: aus_marketing@georgfischer.com / Phone: +61 2 9502 8000 / Fax: +61 2 9502 8090 / Address: George Fischer Pty Ltd, Unit 1, 100 Belmore Road North, Riverwood NSW 2210 Australia.

You are also entitled to request from GFPS at any time confirmation as to whether and which personal data are processed and the details of such processing. Furthermore, you have the right to rectify inaccurate personal data concerning you and the right to erasure or restriction of processing personal data. For more information, please consult our Online Privacy and Cookies Policy.

Questions, complaints and requests related to this mailing consent may be addressed to dataprotection@georgfischer.com. 07/2018
